NOTICE

Separate permits are required for Electrical, Plumbing, Heating, Ventilating, Air Conditioning, Amusement Devices, Elevators or Mechanical Equipment. Permit issued as a result of this application becomes null and void if work or construction authorized is not commenced within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.

I hereby certify that I have read and examined this application and known the same to be true and correct and the work specified is authorized by the owner. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction of the performance of construction.
